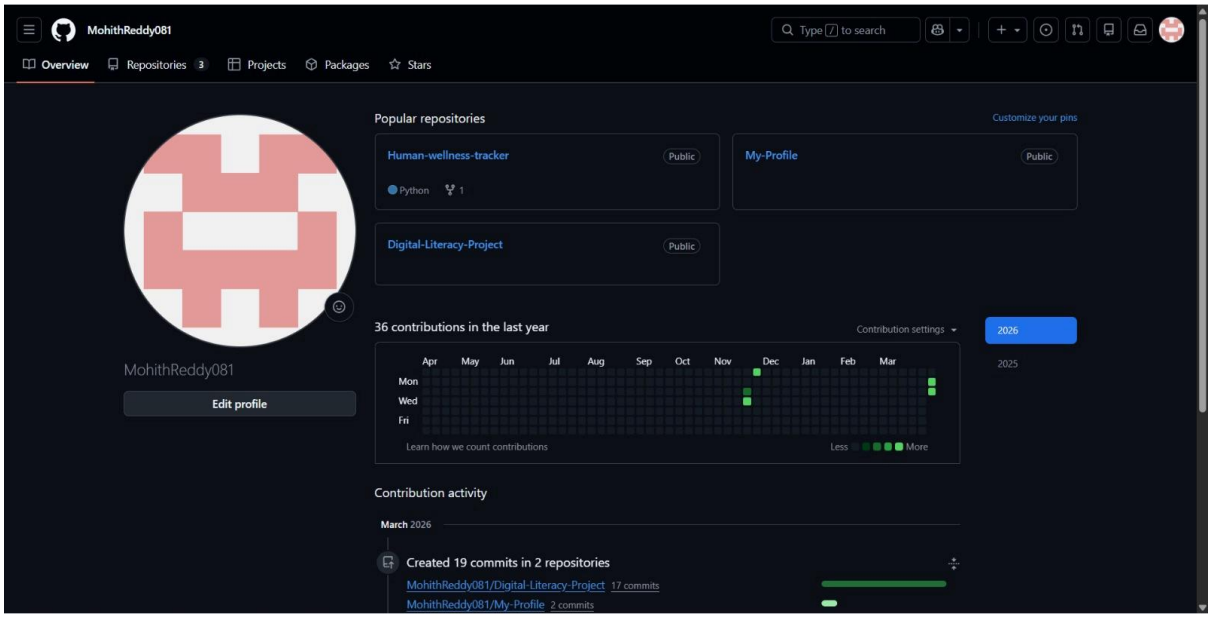
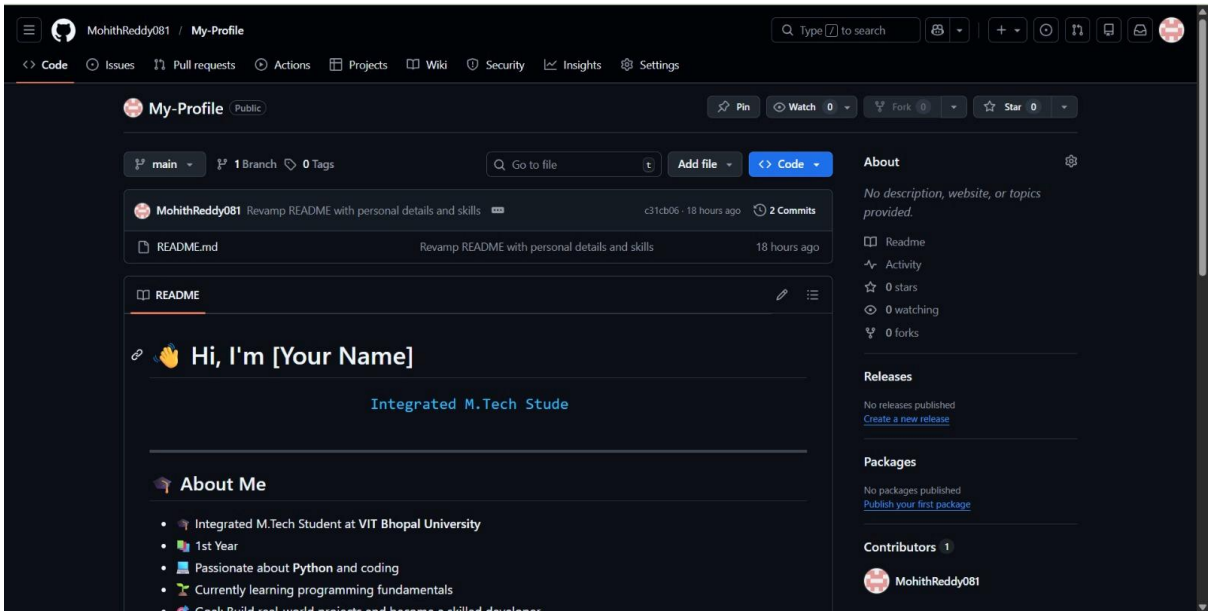
Task-2 portfolio:

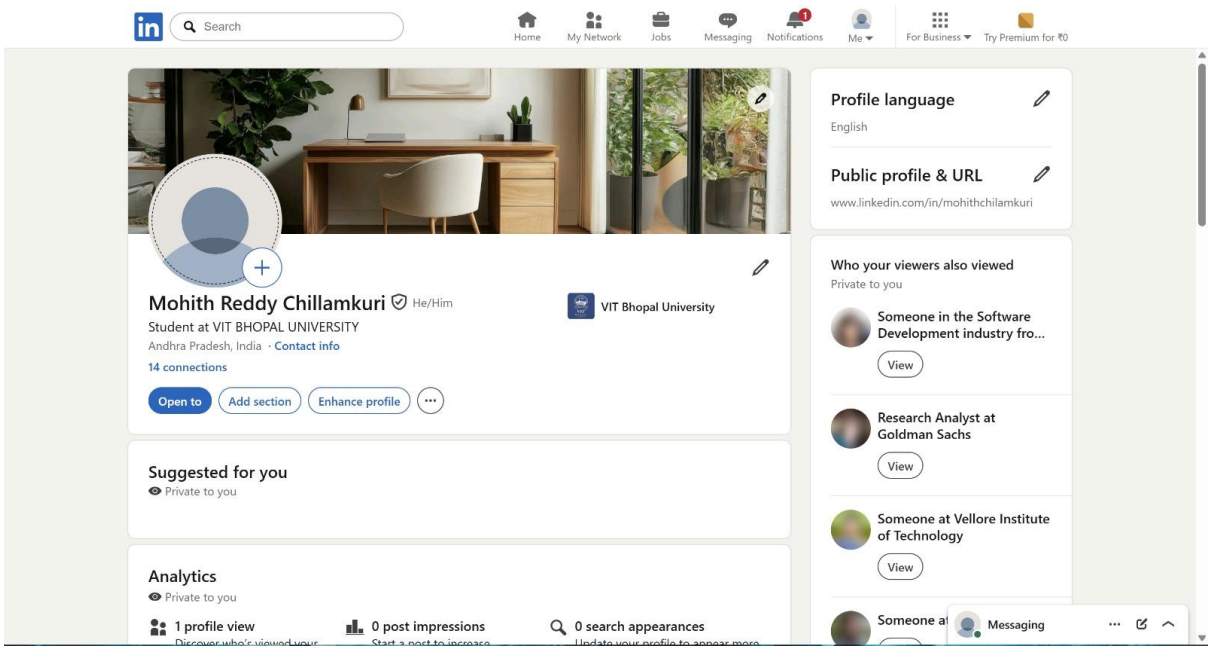
GitHub account;



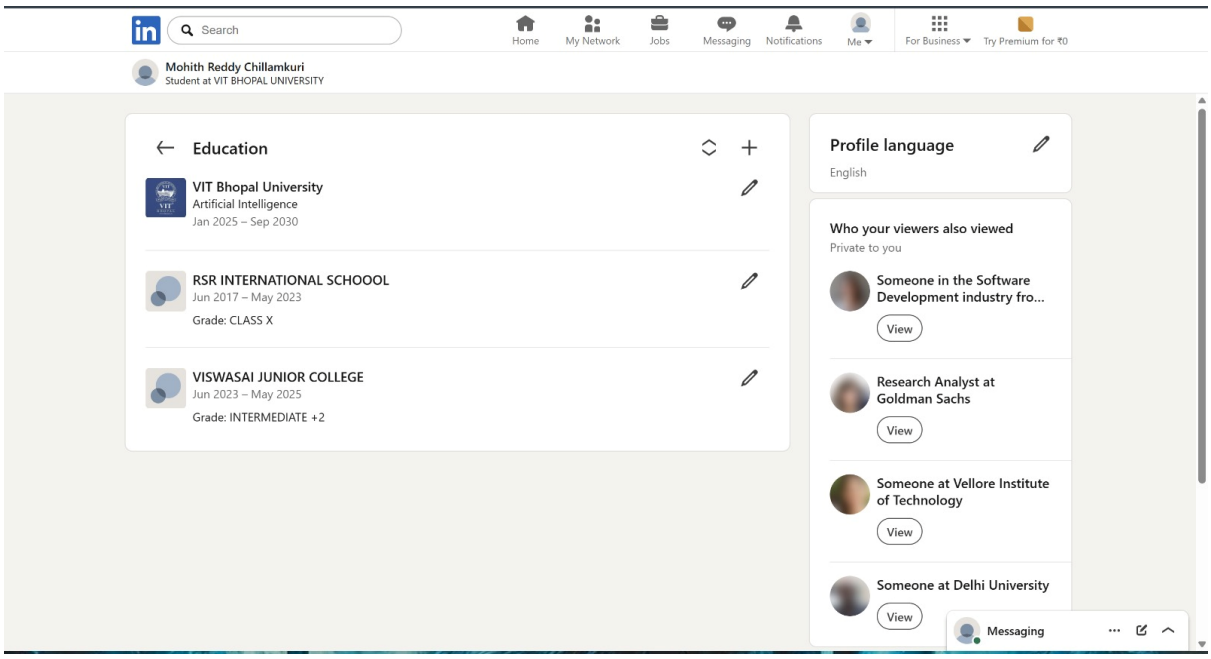
Profile Repository: (ReadMe.md)



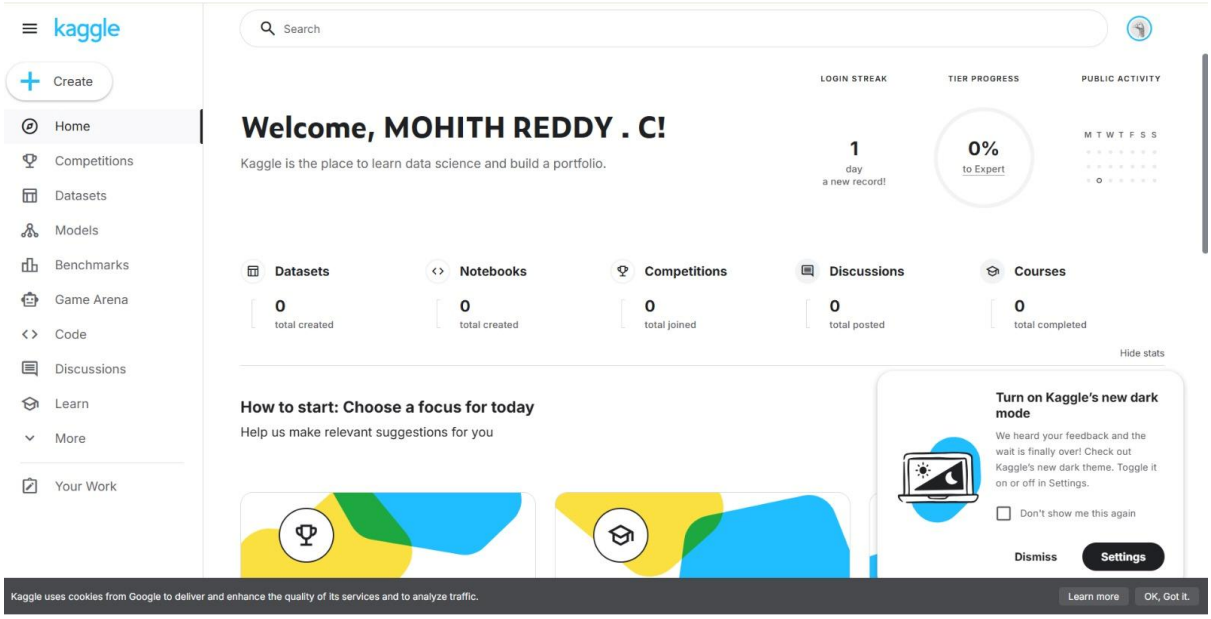
LinkedIn Account:



LinkedIn Education Details:



Kaggle Account:



Reflection:

1. I will make use of GitHub to work on my projects and team collaboration, and will eventually learn Git commands.

2. I will give my best to stand out on LinkedIn. I will make use of it professionally and will update my wins and losses constantly to stay in touch with professionals.

3. I will make use of Kaggle to get datasets (public datasets) for my projects whenever testing and training are needed in my project.
